BOXTED

Denise Humphris, Clerk to the Parish Council

LANGHAM

David Winter, Clerk to the Parish Council
Items from the 7 February meeting

Planning

Colchester Borough Council (CBC) decisions

112098: Stour House, Highlift Road – Rear extension

Approve conditional

112245: Southern Cross, Perry Lane – Rear Extension

Approve conditional

Parking problems

The Council will try to get the parking problems in School Road on to the Local Highways Panel's list and organise a visit to both School Road and the Old Ipswich Road.

Effluent on A12 north of the Birchwood Bridge

The CBC Environmental Control Officer has met Atkins, who will clear the area.

Recreation Ground

The adult exercise equipment has arrived.

Community Council

A grant from Cory Environmental Trust has been approved. Its purposes include updating the cloak-rooms and replacing doors and windows at the Community Centre. There is likely to be a vacancy as Secretary; anyone interested in filling this important role is asked to contact a committee member.

Dog Fouling

The problem of dog fouling outside the school and other matters have been reported to the Dog Warden.

Neighbourhood Action Panel report

Councillors would like the 30 mph signs at the top of Grove Hill replaced and moved to the north of Grove House. Because this road is part of the National Cycle Route, they would like it to become a 20 mph zone.

Footpaths

- The bridge at Lower Lift Cottages is closed for repair.
- The new track by the church is the correct line of the Essex Way.
- The tree alongside the path running by Hobday's Wood has been inspected by Essex County Council and deemed safe.

Woodham Walter Travellers' Site

A visit by Councillors to Woodham Walter Parish Council found that the latter was happy with the local 16-year old travellers' site but that the quality of the site manager was critical.
